# PARKING: FALL PROGRAM UPDATES

## UC San Diego Wins iCommute Diamond Award

UC San Diego was recognized for excellence in promoting alternative commuting choices with the iCommute Diamond Award, marking the sixth year in a row our campus earned the Platinum Level Winner distinction.

# WEEKDAY PARKING

Parking payment is required 7 a.m. - 9 p.m. weekdays and 10:30 a.m. - 9 p.m. weekends; however, we are providing discounted rates and more flexibility for our customers during fall quarter.

- A permits are required to park in A spaces, except during permit upgrade hours. [Select your permit type to view upgrade hours.](#)
- B, S and D permits are interchangeable and may be used for parking in all regular B, S or D spaces.
- Faculty, staff and students can park in any B, S or D permit space for \$4 using the [Parkmobile app](#) and parking zone number 4762.
- Restrictions on permit spaces remain where posted, e.g., "Two Hour Limit."
- Restrictions on special purpose spaces, e.g., "UC Vehicles" and "Reserved," remain in place.
- Areas that require special supplements, like Scripps Institution of Oceanography, continue to require those supplements.

**You may cancel your payroll deduction permit.**

- Cut your permit in half and send a photo of it to [parking@ucsd.edu](mailto:parking@ucsd.edu) with the subject "Cancel My Deduction" or "Refund My Permit."
- Prorated refunds will be issued based on the cancellation date.

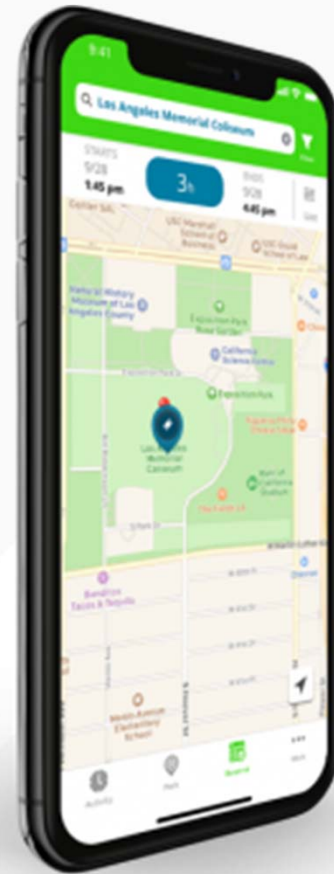

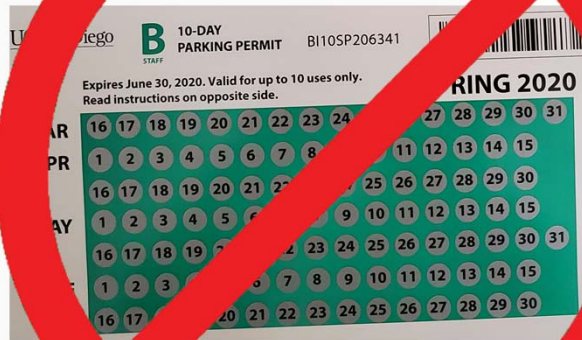

**Visitor parking rates will follow the weekend parking schedule.** Use zone 4762 for central campus and for and zone 4726 for SIO.

# WEEKEND PARKING

At campus locations (excluding medical centers):

- Individuals coming to campus for one hour or less can park for free using the Parkmobile app and the parking zone number for the V space where they park.
- After the first free hour, campus visitors may park for \$1.50/hour with a daily maximum charge of \$6.
- Faculty, staff and students can park in any V space or regular A, B, S or D permit space for \$4 **using the Parkmobile app and parking zone number 4762.**

# TRITON TRANSIT: FALL PROGRAM UPDATES

## Service Updates

- Mobility now operates whenever other services are operating
- DART provides safe mobility options before and after fixed route service
- Loop Shuttles and SIO running at 30 minute frequency
- Regents Shuttle running at 15 minute frequency
- Expanded weekend operations
- Mesa Circulator pilot program

The screenshot displays the Triton Transit website interface. At the top is a dark blue navigation bar with links for My Account, Parking, Alternatives, Triton Transit (highlighted), Resources, Engage, Construction, Return to Campus, and RMP Home. A search icon is on the right. Below the navigation bar is a breadcrumb trail: HOME / Triton Transit. A left sidebar contains a menu with categories: Home, My Account, Parking, Alternatives, Triton Transit (expanded), Student Employment, Triton Transit: Mobility, Medical Center Shuttle, Regents Express, SIO Shuttle, Mesa Circulator, Inside Loop, Outside Loop, Grocery Shuttle – La Jolla, Grocery Shuttle – Convoy, and Arrange Event Transportation. The main content area features a large image of a blue and white bus and a small white electric vehicle. Below the image is the heading "Triton Transit" and a paragraph stating: "Triton Transit operates fare-free on- and off-campus service, including four primary service lines:" followed by a bulleted list: Shuttles (Fixed-route service between campus shuttle stops), Mobility (Door-to-door service for individuals with limited mobility), DART On Demand (DART (Dial-A-Ride Transit) supplements fixed-route service in the evening, early morning and during academic breaks, excluding university holidays), and Charters (Support for campus events, academic and student organization field trips and athletic travel). Below this is a paragraph: "We operate electric carts, vans, small shuttle buses and full-sized transit buses fueled by renewable biogas (RNG). For Triton Transit service updates, subscribe to First to Know. Most service is suspended through September 27, 2020. Learn more on our Return to Campus page." A "+ Expand All" link is present. At the bottom, a vertical list of service lines is shown in blue boxes with white text: Triton Transit: Shuttles, Triton Transit: Mobility, Triton Transit: Dial-A-Ride Transit (DART), Triton Transit: Charters, and COVID-19 Safety and Sanitation.

### Campus Transportation Update

**NEW ROUTE!**  
**Mesa Circulator**

In partnership with Housing \* Dining \* Hospitality and the Graduate and Family Housing Advisory Committee

You may not be headed to the central campus quite as often this quarter but that doesn't mean you don't have places to be.

Transportation Services is excited to introduce the **Mesa Circulator**, a new transportation option for residents in the Mesa Graduate Housing Community. This pilot program is approved by and incorporates input from the Graduate and Family Housing Advisory Committee and is financially supported by Housing, Dining, & Hospitality.

Every weekday from 6:30 a.m. to 9 p.m. the Mesa Circulator will connect residents to one another, to community amenities, to parking, and to the **Regents Express** shuttle to the central campus. Shuttle carts will run in a bidirectional loop with five minute frequency (in each direction) off peak and 3.5 minute frequency during the peak periods.

Service begins with a soft launch Monday, September 28th, and regular fall quarter operations begin on Thursday, October 1st.

Mesa Graduate Housing Community residents have even more to look forward to with the return of our **expanded Grocery Shuttles**. Watch your email later this week for details on our **La Jolla** and **Clairemont / Convoy** routes, each with direct service from the Mesa Graduate Housing Community every 30 minutes, 10 a.m. to 6 p.m., Saturday and Sunday. The Grocery Shuttles are the result of a four way partnership between HDH, the HUB basic needs center, **Associated Students**, and **Transportation Services**. Thank you to our partners for their support and to GFHAC for their endorsement of this investment in access to quality and culturally relevant foods.

**COVID-19 Requirements:** Passengers on all Triton Transit service must wear a facial covering (mask) and show their symptom screening results (on a portable device or print out) when boarding. Partners and children living in the Mesa Graduate Housing Community do not have access to the University's screening app and may ride the Mesa Circulator by verbally screening with the driver. The Mesa Circulator is the only service open to non-affiliates during COVID-19.

## Emergency Ride Home

Stuff happens. When it does, we've got your back.

We appreciate our fellow Tritons who leave their cars at home and eliminate the traffic, parking and environmental impacts of driving alone.

If you took a lower-impact mode to campus from your off-campus residence and you're unable to travel home in the same way due to an emergency, you may qualify for an Emergency Ride Home (ERH) at no cost or a significantly reduced cost.

[+ Expand All](#)

### ▼ Emergency Ride Home for Faculty and Staff

ERH for faculty and staff is provided in partnership with SANDAG through iCommute's Guaranteed Ride Home Program. You must register in advance for ERH coverage, kind of like an insurance program, but at no cost to you.

ERH coverage is for reimbursement of costs associated with your emergency ride home. Rides **must originate from your work location** and may only be used to **get home or to the location of the participant's parked car** (e.g., a park-and-ride lot or carpool partner's home).

iCommute determines qualifications to participate in the program and has sole authority over whether rides are reimbursable. For current program details, view the participation guidelines and agreement ([English](#) | [Spanish](#)).

### ▼ Emergency Ride Home for Students

For the purpose of the ERH for Students program, an emergency is defined as a situation that:

- Could not be predicted or avoided, and
- Makes it impossible to travel home the same way that you traveled to campus

Qualified rides meet the definition of an emergency (above) and:

- Originate on campus, and
- Terminate at the rider's off-campus residence, or
- Terminate at a hospital or urgent care center, or
